Visit our new website at www.MN-IEA.org to learn more!

Founded in 1998, the **Minnesota Chapter of the International Enneagram Association** (“MN-IEA”) is one of the largest local chapters of the International Enneagram Association (“IEA”) in the United States. As an IEA Chapter, we are committed to presenting programs featuring a wide range of high quality Enneagram teachers and perspectives. Throughout our program year, MN-IEA offers evening Chapter Meetings, special weekend Workshops, an Annual Member Appreciation Brunch and informal Discussion Groups in two locations (Roseville and St. Louis Park).

Come join us as we seek to:

- Promote personal growth and development
- Increase awareness and understanding of the Enneagram
- Build the Enneagram community in Minnesota and surrounding areas.

MN-IEA events are educational, challenging and fun! Evening Chapter Meetings are *FREE* to MN-IEA Members. Guests and non-members are welcome to attend for \$20. Discussion groups are also *FREE* and are a great way to introduce new people to the Enneagram. Special Workshops scheduled throughout the year require advance registration and payment, with MN-IEA members receiving a discounted fee (must log in to receive the discount). This year we are instituting a charge of \$20 per person for the Annual Member Appreciation Brunch to assist in covering a portion of the costs of the event. Scholarships are available for most events requiring registration and payment.

MN-IEA is registered as a 501(c)(3) non-profit organization. Donations to support the Chapter are gratefully accepted and appreciated! Donations are tax-deductible to the full extent permitted by law.

There are two ways to become a member of MN-IEA:

- If you join the **International Enneagram Association** (“IEA”) at any membership level, simply click the “**Minnesota Chapter**” box and pay an additional \$20 annual dues to join the MN-IEA as well. The IEA will notify us when your membership is active.
- If you prefer to limit your membership to our local MN-IEA chapter, annual dues are \$45. Simply visit our new website at www.MN-IEA.org and click on the Membership tab.

The **IEA** is a nonprofit association committed to creating a world in which the Enneagram is widely understood and constructively used. “Participating” level membership in the IEA costs \$85 per year (\$65 for Seniors 65 and older and \$30 for 30 and under). Professional and other membership levels are also available.
